## Research

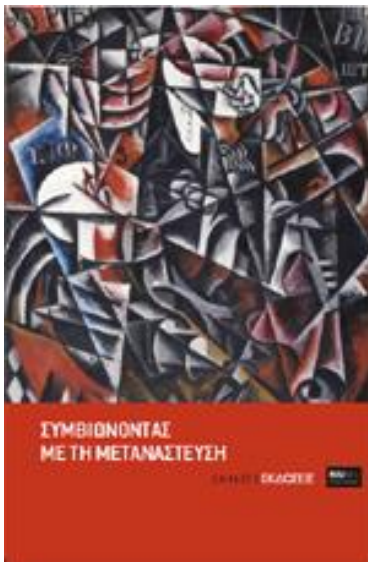

**MIGRATE : CTRL + EnterEurope: Jean Monnet Migrant Crisis Network**

Project Number 575048-EPP-1-2016-1-EL-EPPJMO-NETWORK

The recent migrant crisis has tested the coherence of the EU and its impact will shape many aspects of the EU integration process for years to come. In an attempt to address the contemporary challenges of the region of South East Europe, Navarino Network has established a collaboration with influential organisations, which aims in the creation of a network that will identify and study the impact of migration flows on EU integration.

This initiative has been awarded by the European Commission with a fund through the highly competitive Jean Monnet Networks scheme.
